Also present were Councilman, Marko, LoPresti, Schlessel and Frey, Mayor Ward, Finance Director Mary Kovalchik, Service Director Tony Fioritto, and City Engineer Jeff Filarski. The following was approved by the committee pending the availability of funds meeting conclude at 6:50 PM.

Asphalt Reconstruction and Resurfacing	\$ 1,172,476
Total	\$1,172,476

The City Engineer shared that in the future there is a newer process to extend roads and while in this year's budget did not include he will be looking to incorporate possible in 2019. The process is Micro Paving and it offers a cost efficient and long-lasting remedy for worn high volume surfaces. A rapid -set latex modified overlay removes rutting and provides a texture wearing surface. This topic will be discussed in more detail for next year's budget process.

Respectfully Submitted,

Joseph A. Gambatese, Chairman
