

# Lyndhurst Community Alert Notification System

The City of Lyndhurst and **City Watch** are pleased to announce the addition of the **CityWatch Alert Notification System** to our Public Safety Service Program.

City Officials will be able to quickly and accurately send out emergency and non-emergency message notifications to literally thousands of communication devices within minutes. If you would like to be contacted for public service and emergency messages, please fill out the form below for contact information.

**Mayor Joseph M. Cicero, Jr. and Members of Lyndhurst City Council**
