The Joy of Volunteering

Established in 1983, *Hillcrest Meals on Wheels* currently delivers more than 22,000 meals a year in the Hillcrest communities. Volunteers take a special interest in our clients' welfare. They say delivering meals requires so little time and gives so much comfort to those who depend on this service.

“One of the greatest gifts I can give my kids is by setting an example of giving to benefit others. The only personal gain is the satisfaction of helping a stranger in need. Meals on Wheels accomplishes this and also teaches them to respect the elderly. It is also important to be exposed regularly to those in need, as a constant reminder of how lucky we are. My kids are now 12, 16, and 17½ years old. I have been a Meals on Wheels volunteer since 2000.” — Joanie McTernon

“I enjoy meeting new friends and helping people” — Nancy Kubancik

“It's the most rewarding thing I've ever done. Because of the one-on-one contact with clients, I know I'm making a difference in their lives.” — Josephine Yahraus

Adopt-A-Route Partners

Adopt-A-Route was created for Hillcrest area corporations, churches and civic organizations because of an expressed interest in serving their communities.

As the population of clients needing our service increases, our need for volunteers continues to grow. Help us keep this vital community service working in your neighborhood and become an *Adopt-A-Route* partner.

When you agree to *Adopt-A-Route*, your group, corporation, or business commits two people one day a week, for approximately one hour, to deliver meals to our clients in the Hillcrest area.
