Annual Holiday Lighting *and food drive*

Join your friends and neighbors on the front lawn of City Hall for this annual family event. This holiday tradition is complete with seasonal music, cookies and cocoa, and even a visit from "you know who..."

If you have been fortunate this year, please consider bringing an item or two from one of the Cleveland Food Bank's super six lists to help someone who may not have been so lucky: **

Food - Beef Stew, canned soups, canned vegetables, peanut butter, cereal & tuna

Non- food items - Deodorant, laundry detergent, shampoo, soap, toilet paper, tooth paste & tooth brushes.

**** These items may be brought to the lighting or dropped at City Hall through mid December.**
