

Community Center News (440) 449-5011

Over 100 people responded to the Mayors' invitation to attend the twelfth annual **Young at Heart** Party that was held Sunday June 1 in the Community Center. The afternoon provided friends and neighbors an opportunity to socialize with the Mayor while enjoying a variety of light refreshments, provided by local area merchants. Carmelina provided our musical entertainment for their listening and dancing pleasure. Although, this FREE event was open to all residents 60 years young and better, those choosing to be included in our (senior) registry, received personal invitations. If you would like us to add to the registry, please call Melissa at the Community Center.

The American Red Cross holds a **BLOODMOBILE** in the Community Center the first Thursday, every other month, from 1:00 PM – 7:00 PM. The next is scheduled drive is **Thursday, Aug. 7**, followed by drives on, Oct. 2 and Dec. 4. This rotation provides donors with a safe cycle for blood donations. Donors must be 17 years of age, in general good health, and weigh at least 110 pounds. Donors will need to bring their Drivers' License and Red Cross card or two other pieces of positive identification required. The weather and Holidays effect blood supplies, often times causing critical shortages; because like you, the regular donors they rely on are busier or vacation, etc. To someone who needs blood, (accident victim, and surgery or cancer patients) your blood is priceless; but it costs you nothing to give, but a little time.
