HRRC to “Celebrate Seniors” on May 13th

Cleveland Heights, April 22, 2015

Home Repair Resource Center, the Cleveland Heights nonprofit, invites seniors from all communities to its **“Celebrate Seniors Day.”** From 11 am to 2 pm on Wednesday, May 13th, seniors can enjoy a light lunch and learn about the services that HRRC provides to help people repair and maintain their homes – and especially the special programs available to homeowners age 62+.

As part of “Celebrate Seniors Day,” HRRC’s Senior Program Coordinator Wesley Walker will talk about “When the Job Goes Wrong: How to Resolve Problems with Contractors” from 11:30 to 12:30. Attendees will learn steps to take when problems occur with a contracted repair – and what to do if those problems are not resolved.

This event is free, but reservations are requested; call (216) 381-6100, ext. 22. Home Repair Resource Center is located at 2520 Noble Rd. in Cleveland Heights (two blocks north of Monticello at the corner of Oxford.)
