

Community Center
Melissa Weldon, Coordinator
(440) 449-5011

The Community Center is available for rental by our residents for *their* personal functions and by the local business community for their meeting and training needs. Our beautiful facility features multiple rooms, each having its own look, features, seating capacities and pricing. So, if you are planning to celebrate a special event in 2015 – your son or daughter's first birthday, their graduation, or a spouse's retirement, we hope you will keep us in mind.

We would be glad to set up at time for you to come in to talk about your potential event and show you the Centers many options. While an appointment is NOT required, it is suggested, if you wish to look at the different rooms. As a courtesy to our renters, we only show our room(s) when they are not being used.

If one of your New Year's resolutions was to get more involved ... then look no further than your own Community Center. We are home to the Lyndhurst (Travel) office of the Community Partnership on Aging (formerly Tri City Seniors) and the Hillcrest Meals on Wheels program, both of whom use volunteers in a variety of daytime roles.

If your days are already full, you might want to consider joining one of the many clubs and organizations that meet here in the evenings, generally on a monthly basis. Whether you are considering something social, political or service oriented, we have a group *looking for you*. Meeting dates, times and contact information for most of our groups can be found on the website, or by calling the Community Center office.

In our on-going support of the American Cancer Society, the Community Center continues to collect old cell phones, working or not. For each phone we keep out of the "landfills", we are given a donation to the ***American Cancer Society***.
