SHOE DRIVE

The St. Clare Church's American Heritage Girl Troop OH-0433 is having a Shoe Drive.

We need your new or gently used shoes

Go through your closets and find those shoes that are still wearable. Any kind, any style, just as long as they are wearable. We will take them!

The collected shoes will then be re-distributed through the company Funds2Orgs. They will take them to developing countries, such as Haiti and help create "micro-businesses" for the locales. So your unused shoes will help someone get a better position in life.

Our goal is to collect 2,500 pairs of shoes by February 14th. So every pair helps us get to our goal.

Please drop your shoes off in the collection box at the Church or give Christy Raynor a call at [\(440\) 684-0549](tel:4406840549) for more information.

Thank you!!!
