Pond & Outlet Design Update

Location: Acacia Reservation Clubhouse

Date: Thursday, February 4, 2016

Time: 6:00 - 7:30 pm

Cleveland Metroparks will describe appropriate pond management techniques and consultant, Sustainable Streams, will review conceptual designs for improving the fringe of the Northeast pond at Acacia and discuss daylighting the outlet from the pond.

Design work is funded by a grant from Ohio EPA under the provisions of the USEPA Great Lakes Restoration Initiative.
