

**1160.04a ACCESSORY USES, BUILDINGS AND STRUCTURES.**

**(8)Outbuildings. In the Two-Acre Single-Family District, an outbuilding, in addition to a private garage and a storage shed, shall be permitted. The size thereof may not exceed one-third of the square footage of the main building, including the basement and garages where attached, subject to approval of the Architectural Board of Review. The regulations for locating such outbuilding shall be those applicable in paragraph (a)(6) hereof relating to storage sheds. Such outbuildings shall not be used for the storage or care of automobiles.**
