

Tri-City Consortium on Aging Updates

So You Want to Stay in Your Home?!

We understand that there is more to caregiving than home health. Care-giving means helping with finances, transportation and day-to-day tasks like shopping, scheduling appointments, arranging for meals and many other things! Whether you are in NEED of care or someone who is GIVING care, join us for one of two informational presentations in June:

Wednesday, June 22 at 12:30 PM at South Euclid Community Center, 1370 Victory Dr.

Or

Wednesday, June 29 at 4:00PM at Ross. C. DeJohn Community Center in Mayfield Heights, 6306 Marsol Rd.

Call 216-650-4029 to sign up!

Record YOUR story!

Beginning in June, Ursuline student Jessi will record the “stories” of some of our participants for a project she is working on! Do you have a story to tell about your life, your work, your children? Call us at 216-650-4029

Community Garden

The Tri-City Consortium on Aging is excited to be participating with the Hillcrest Sunrise Rotary and the City of Lyndhurst on a community garden project. We expect to be looking for volunteer gardeners to help with garden maintenance in the near future. If you have a green thumb, please call Corinne!

Student and adult volunteers are needed to conduct summer yard work projects including weeding and bush trimming. These projects will benefit older adults in our four-city area. Both individuals and groups are invited to participate. This is a great opportunity to earn community service hours and help others at the same time! For more information, please call Corinne Dunn, Volunteer Coordinator, Tri-City Consortium on Aging, 216-291-3902.

In addition, **volunteer contractors** (plumbers, carpenters, painters, electricians, roofers, etc.) are always needed to advise or conduct work for older residents who cannot otherwise afford the service. Please call Larry Novikoff or Corinne Dunn at Tri-City Consortium for further details.
