

The American Cancer Society

RELAY FOR LIFE Poinsettia Sale

Wouldn't it be nice if something you were going to do anyway could benefit the American Cancer Society, at the same time? Well if you were planning to decorate for the Holidays using beautiful poinsettias, you can do both.

Now through November 22, the Lyndhurst LIFEsavers, Relay For Life team will be selling these traditional Holiday flowers in both the 6 ½" and 8" sizes and in your choice of colors: pink, red or white.

Flowers are available on a pre-paid basis. The 6 ½ inch plant is \$10.00 and the 8-inch plant is \$15.00. The American Cancer Society will receive \$4.75 for each plant sold.

For more information, please call Melissa (440) 449-5011.

Orders are scheduled be available the week of Dec. 5th, for pick up
