NOTICE OF CONSTRUCTION

Meadow Wood Blvd . - between Richmond Rd. and Winchester Rd.
Golfway Ln. - between Bromton Dr. Winchester Rd. and Edenhall Dr.

Dear Resident:

Starting this week, pavement repair work will begin on your street. This work is part of the \$177,100 Concrete Repair Program being done in the City this year. The City's contractor for this year's program is A&J Cement Contractors, Inc. Meadow Wood Blvd. will be worked on first and will take approximately 2 weeks, followed by Golfway Ln.

The work will involve replacing the deteriorated concrete joints and slabs on these two streets. If your drive needs to be blocked for the work, the Contractor will notify you in advance. If you need to park overnight on the street in legal parking spots, please call the Police Department at 440-442-1234 to let them know you are leaving your vehicle out overnight so you are not ticketed.

During the work, **Meadow Wood Blvd.** will have **ONE WAY TRAFFIC ONLY**, in the westbound direction, from Winchester to Richmond Rd. A detour for eastbound traffic will be posted through Dogwood Trail, Chickadee and Overbrook. Please plan your travels accordingly.

Golfway Lane will remain open both ways. Please proceed slowly through the construction areas.

Thank you for your cooperation during this work. We regret the temporary inconvenience all this work may cause you. Please be patient and cooperative, and the inconveniences can be minimized. Also, if there are any areas on your tree lawn that are seeded due to the work, please water these areas so the grass will grow properly.

If you have any questions or concerns, please contact the City Engineer, Jeff Filarski at (440) 399-0810 or email him at filarski@cvelimited.com.

Sincerely,

Mayor Joseph M. Cicero
