

At Hillcrest Family YMCA a membership just means more. We have numerous classes and activities to meet your health and wellness needs. Cardio kickboxing, cycling, Zumba classes and much more included with a membership. Hillcrest YMCA has a warm water pool that hosts a variety of aqua aerobics classes and swim lessons for all ages. Join us for special events such Parent's Night Out, monthly, and Flick-N-Float which are open to the community. We are open seven days a week and offer free child watch with a family membership.

Most importantly, the YMCA offers financial assistance for any family, adult or senior who desires to participate and understands the benefits of the YMCA, regardless of their ability to pay the prescribed fee.

If you would like to try us out visit our website, www.clevelandymca.org and download a 5-Day Guest Pass. Hillcrest Family YMCA is located at 5000 Mayfield Road in Lyndhurst and can be reached by phone at 216-382-4300.

And don't forget, SELREC is still Here! Even though the Hillcrest YMCA now manages SELREC's programs, participants do not have to be Y members to take advantage of them. Non-member fees are listed for almost all the programs we offer. There is a discount for Program Members and an even bigger discount for Full Facility Members. Program membership is available to anyone for an annual fee of \$25 per household. Once paid, anyone in your household may attend programs for the program member rate listed, a substantial savings if you and your children attend more than one SELREC class over the course of a year.

Lyndhurst residents will continue to receive the program guide at home via mail twice annually, in March for the Spring/Summer programs (including Safety Town and Summer Camp) and in August for the Fall/Winter programs. You can also view the program guide on the YMCA website.
