

Coffee with the Cops

The **Coffee with the Cops** Initiative brings police officers and the residents they serve together over coffee to discuss issues, share concerns and craft solutions in a casual setting. Community Policing is, in its simplest terms, police departments and neighborhoods establishing a partnership through open lines of communication and cooperation. This partnership serves to support dialog, identify opportunities and develop strategies which will enhance the health and quality of life for residents.

Join your neighbors and local police officers for coffee and conversation.
