June 10, 2016

CONSTRUCTION NOTICE FOR SUNVIEW RD.

Dear Resident:

Starting the week of June 6, 2016, pavement repair work will begin on your street. This work is part of the \$942,107 Asphalt Program being done in the City this year. The City's contractor for this year's program will be Chagrin Valley Paving, Inc.

The work will consist of repairing some of the deteriorated pavement areas, followed by a chip seal coating. Once the chip seal is down, the street will be swept several times over a period of two weeks to remove any loose stone. Once this is completed, a black fog seal coat will be placed over the street.

During the work, the street will remain open. Please proceed slowly through the construction areas. Also, do not park on the street during the project.

Garbage collections will continue on the normally scheduled day, but will happen earlier in the day. Please have your garbage and recyclables out by 7 am.

Thank you for your cooperation during this work. We regret the temporary inconvenience all this work may cause you. Please be patient and cooperative, and the inconveniences can be minimized.

If you have any questions or concerns, please contact the City Engineer, Jeff Filarski at (440) 399-0810 or email him at filarski@cvelimited.com.

Sincerely,

A handwritten signature in blue ink, appearing to read "Patrick A. Ward", is written over the typed name and title.

Patrick A. Ward
Mayor
