

Coffee with the Cops

Join your neighbors and local police officers for coffee and conversation.

The **Coffee with the Cops** Initiative brings police officers and the residents they serve together over coffee to discuss issues, share concerns and craft solutions in a casual setting. Community Policing is, in its simplest terms, police departments and neighborhoods establishing a partnership through open lines of communication and cooperation. This partnership serves to support dialog, identify opportunities and develop strategies which will enhance the health and quality of life for residents.
