

# Does Your Child Have A Food Allergy??

- ⇒ Is your child age 6-8?
  - ⇒ Does your child have a food allergy?
  - ⇒ Would you like to earn up to \$100.00?
  - ⇒ If yes to all of the above, we need your help in creating an intervention for kids with food allergies to help them stick to food allergy safety guidelines.
  - ⇒ Contact the Kent State Pediatric Anxiety & Allergy Research Clinic (PAARC) if interested!
- \*Not all children will qualify\***

Scan the code with your phone's camera to learn more about the study!
