

Community Partnership on Aging

Paper Goods Drive

for older adults in need

Older adults are more at risk for COVID-19 and while many grocery stores have designated senior shopping hours, Community Partnership on Aging has received phone calls from older adults who are afraid to leave their homes because of compromised immune systems or pre-existing conditions. If you have the means, please consider purchasing or donating paper goods such as toilet paper, paper towels, facial tissue and other products for distribution to older adults in need.

PAPER GOODS DROP OFF:

**Lyndhurst Community Center
1341 Parkview Dr., Lyndhurst
Monday-Friday, 9:00AM - 4:00PM**
